Good morning, Misty!

Thanks for your call back to me yesterday, regarding the inaugural Green Ribbon Council meeting on Monday for the City's recycLA program – a new public private partnership that will for the first time in the history of the City, offer customer-friendly and efficient waste and recycling services to all commercial and industrial businesses, institutions, and large multifamily buildings.

I am writing to follow up on the Eventbrite invitation you received from LA Sanitation GM Enrique Zaldivar inviting you to be part of the Green Ribbon Council, and join us to learn about the program so that you can best inform the Highland Park and Lincoln Heights business community members about the program and its benefits to business and to the sustainability of the City of LA.

GM Enrique Zaldivar would love to have you join is for lunch on Monday for the Inaugural meeting of the Green Ribbon Council!

Please contact the LASAN Public Affairs office at (213) 978-0333, so that we can have your formal RSVP.

Thanks!
